Message From Your Board

The board wants to ask that you bring someone to the next meeting to hear our special speaker. We would like to have a big group. The speaker is Sitrenia McDaniel from the Growing Home Southeast Foster Care Program. This is about foster home for special needs people.

Message From the President

I want to thank everyone that helped with the flag display on February 19th. We did such a good job. We had a business owner stop the truck and ask how he can have one put in front of his business. Ella is busy billing old customers and new prospects. If you want to go out and visit businesses, see Ella. April 13th (the first day of "Come See Me") will be the next display time.

It is time to be thinking about new officers for next year. David Simpson will be heading the committee. Let him know who you would like to nominate for the officers. We will be voting on them in May.

Civitan Family News

One of our members, **Allene Pagel** has been in the hospital. She has had a hip replacement done and it will be some time before she will be able to return to our meetings. Keep her in your thoughts and wish her a speedy recovery.

Eugene Mitchell has been recovering from a nasty fall and had to have stitches on his head. We hope he will be able to be with us again soon.

Chris Matson, **Steve Matson's** son, was seriously injured in Iraq with the US armed forces. We hope he will be home soon and doing better. He was scheduled to come to the states in a month before this happened.

Now for some happy news: **Keri Simpson** is transferring her membership from the North Strand Club of Myrtle Beach. She has moved back home for a while to live with her parents David and Wanda Simpson. Welcome home Keri. We are looking forward to having you in our club.

Dr. Frank and **Dr. Misty Konow** are expecting their first child in May. They will need our help after the baby comes. Be thinking of ways we can help. We still do not know what they are having. It doesn't matter. It will be fun to have a baby in our Civitan family.

March Projects

A Birthday party for one of the clients of the Meadowlarks Group Home will be on March 3rd. Tom Shealy is heading the committee for this and is asking us all to try to attend if possible.

Special Olympics will be on March 30. We have been asked again to man the coke wagon. Everybody who is available that day will be needed. Report to the parking lot at Cherry Park at 10 am. We will be filling cups with drinks and helping to deliver them to the groups.

Projects not already mentioned in our newsletter. Tom Shealy is the chairman of our committee for activities for our special needs friends. On February 20th Tom took the clients of the Meadowlarks Group Home to the "Fat Tuesday" pancake supper at Saint Mathias Episcopal Church. Tom paid for the meal in the name of the Rock Hill Civitan Club. We understand everyone had a great time.

Looking Ahead

The next flag display will be April 13th.

Relay for Life will be held June 1st starting at 7pm at Castle Height Middle School on Firetower Road. We need to decide if we want to have a team again this year and who will participate. Think about this.

Our special needs supper will be some time the week of August 12-17 at **Bethelwoods**. We need to start planning on what kind of meal we will prepare.
