Message From Your Board

The board wants to let you know that we are doing well with our fund raising this year. The Claxton fruitcake sales gave us a profit of \$4006 for the year. Our flag project has brought in over \$1100 to date. The flea market and yard sales has brought in over \$900. We should have enough money this year to do new projects. Let us know if you know of some new projects we can do.

Message from the President

We are working hard this year to do all our old projects and to add new ones. We need more hands and bodies to help us. We have had some active members who have been sick this year and some who are continuing to be treated for illnesses. Please volunteer to help with our projects and bring someone with you. Some people may want to help with a project but not commit to being a member and that would be great. All help is needed. We have some spouses and relatives who already pitch in when needed and to them we say a thank you.

We also want to keep our Junior clubs active. We are losing at two leaders for the coming school year. We need someone for Lewisville High School and a helper at Rock Hill High School. If you know of anyone who teaches at these schools, please ask them for suggestions of people we can contact. We paid for two scholarships to JCLC (Junior Civitan Leadership Camp) for this summer. So far we have one going from Lewisville High School. We are hoping for more.

We have decided to postpone our spring yard sale. We no longer have a place to store things. We are looking to build a small building that we can store the flags, fruitcakes, and yard sale items. More information will come later. Try to find a place at your homes to store your items until we can make more arrangements. Please keep saving your treasures and we will have a sale later.

Civitan Family News

Ella Messer has started her radiation treatments. Keep her in your thoughts and prayers.

Dr. Misty Konow and **Dr. Frank Konow** are the proud parents of a son. Jude Louis Konow was born at home on Friday night at 8:45. He weighed 8lbs. 10 ounces and was 20 inches long. We look forward to having him come to our meetings. We have taken them a gift from the club.

Steve Matson is now at Health South in Rock Hill. He is doing much better. He is able to use his arms and hands and to walk some. We hope his progress continues and he will be back with us soon.

Carrie Mae Reeves, a former member of our club and a former junior Civitan advisor at RHHS was in an automobile accident. She has had several operations in Charlotte and is still recuperating in CMC Hospital in Charlotte. Keep her in your thoughts.
