Report from Junior Civitan: We want to thank the students from South Pointe and Northwestern and NW advisor, Melissa Lehman, for braving the coldest day so far this winter to ring the bells for the Salvation Army at the Wal-Mart in York. I heard that a couple of students did not make it because they went to the Newport store by mistake. That is OK. We ended up with a great group of Junior Civitans and we collected a lot of money for the Salvation Army. Will let you know how much when we receive the final report .

Calling all Civitan Volunteers:

2010 Contract from the Rock Hill Civitan Club

After serious and cautious consideration, your Contract of Friendship has been renewed for the New Year 2010!

Our wish for you in 2010

May peace break into your home and may thieves come to steal your debts.

May the pockets of your jeans become a magnet for \$100 bills.

May love stick to your face like Vaseline and may laughter assault your lips.

May happiness slap you across your face and may your tears be those of joy.
